Bakewell & Eyam
Community Transport

Improving the lives of local people now and in the future

We are an organisation run by and for the local community:

- offering valuable social contact and tackling problems caused by rural isolation
- supplying a caring and reliable service for older residents and people with disabilities
- helping those who are unable to use conventional public transport
- improving the quality of people's lives and promoting independence
- providing transport for all types of grassroots community groups

A caring service for the whole community

Bakewell & Eyam Community Transport is a not-for-profit local charity set up in 1989 to provide accessible transport for rural communities across the Peak District. We help individuals and groups who struggle to use conventional public transport, perhaps disadvantaged because of age or disability, or simply because rural isolation means that no scheduled service exists in the first place.

Through volunteers we arrange individual, tailor-made journeys using fully accessible small minibuses and peoples' own cars for everyday shopping, medical appointments and social visits.

We also supply transport for a wide range of local community groups, including youth clubs and schools.
